

FREEHOLD MINERAL OWNERS INFORMATION SEMINAR

In conjunction with the annual meeting of the Freehold Owners Association ("*FHOA*"), an information seminar for owners of freehold oil and gas rights will be held on the afternoon of **Saturday, June 14, 2002** in the main gym of the **Louis Riel Junior High School, 9632 Oakfield Drive S.W., Calgary, Alberta.**

Keith Luft, an experienced oil and gas lawyer, partner in the legal firm of Beaumont Church, and director of *FHOA* will speak on **freehold lease agreements.**

Brad Murray and **Glenn Pomeroy**, of Newfficient Corp., will speak on the **business of moving natural gas from the wellhead to market.**

David Speirs, *FHOA*'s technical chairman and president of Calterra Freehold Ventures Inc., will speak on **understanding your royalty statements.**

Representatives of Alberta Energy, the Alberta Energy and Utilities Board and the Office of the Farmers' Advocate have been invited to attend.

The seminar will be followed by a **question and answer session.** If you have questions on **gas prices, deductions from your royalties**, recent developments in **coal bed methane**, or any other topic related to freehold minerals, **plan on attending.**

Cost to attend the seminar for ***FHOA* members is \$5.00 per couple or individual** and for **non-members is \$30.00** for couples or individuals. Memberships (\$25/annum) will be available at the door.

The meeting and seminar, which will run from 1:00 to 5:00 pm, is **open to all interested freehold owners.** Space is limited, so get there early. Registration starts at **12:15 pm.**

The Freehold Owners Association is a not-for-profit, volunteer association dedicated to providing education and information to the thousands of individuals who own subsurface oil and gas rights in Canada, and to seeking fair treatment for all freeholders.
