**David Speirs** - Protecting Your Mineral Rights

**Brad Murray** - Call To Action

*"Who owns coal bed methane? How do recent Alberta Energy & Utility Board regulatory changes impact your mineral rights? What are the most important clauses in a freehold lease? What can you do to protect yourself if you have already leased or are approached to lease? FHOA's Technical Committee Chairman, David Speirs, MSC, P. Geol., will discuss these and other issues impacting freehold property rights. FHOA Director Brad Murray, Msc., MBA, P.Eng., will discuss what FHOA has done to date to help freeholders and what FHOA intends to do going forward. Mr. Murray's topics will include implementation of the 'freeholder-friendly' FHOA lease, new freeholder services contemplated by FHOA, membership growth initiatives and funding initiatives.*

*Refreshments will be served followed by question and answer period*
